# Substructure

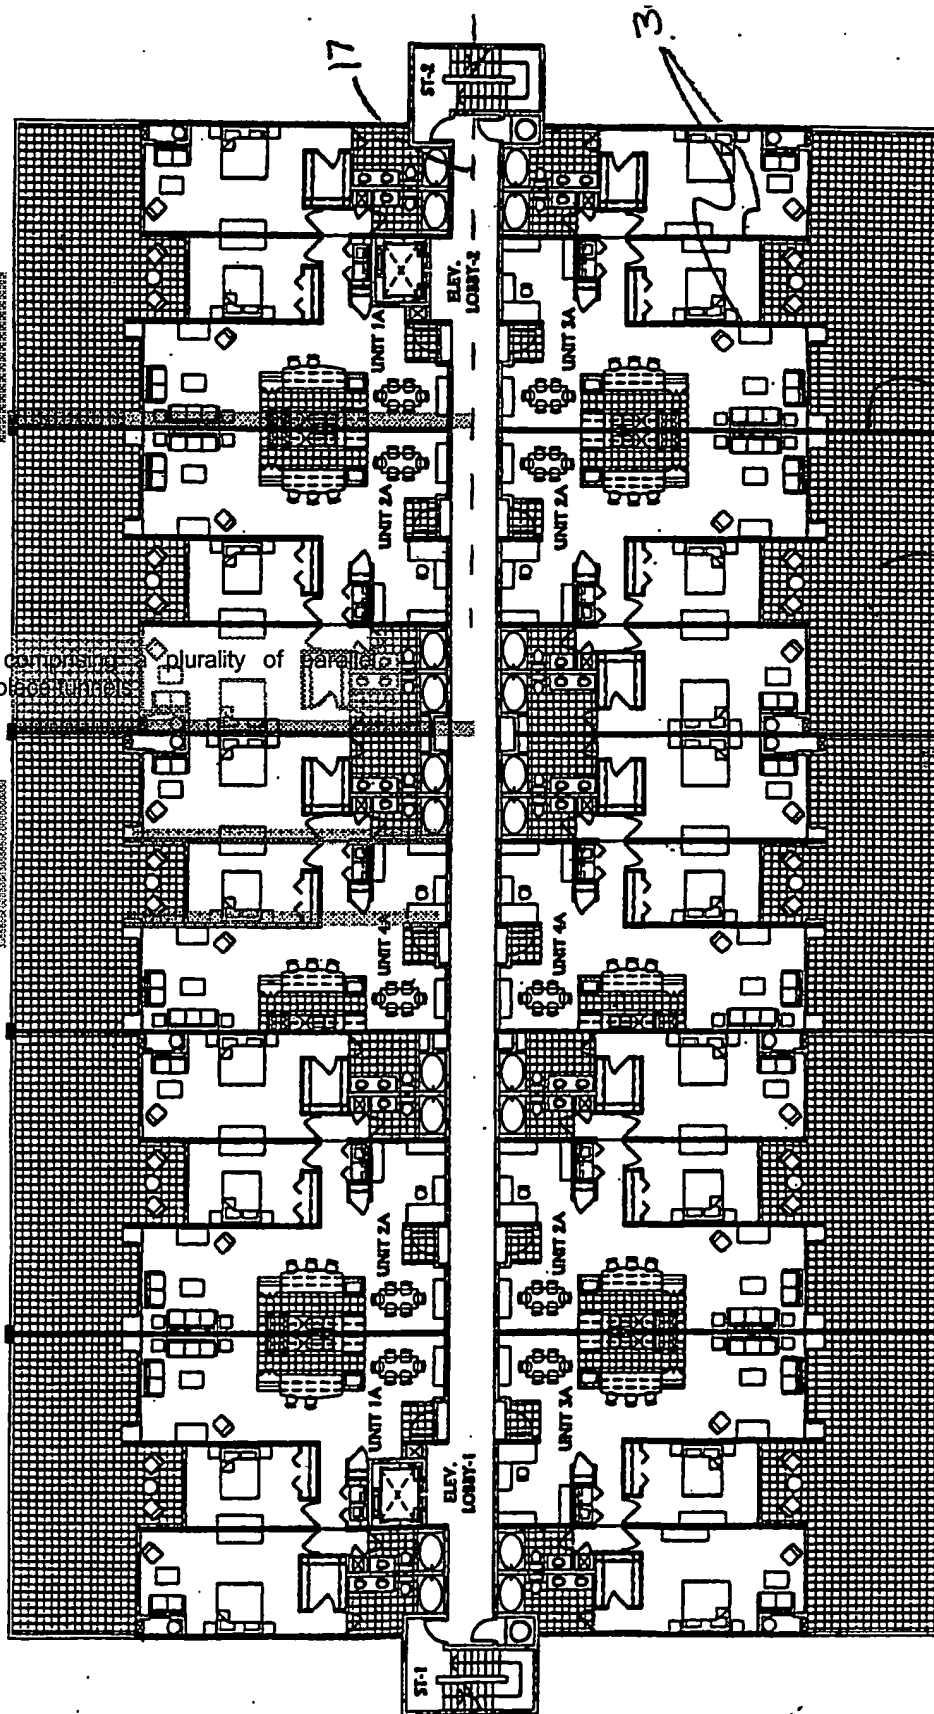

# Interface Level

third tunnel walls  
vertically aligned with  
said first tunnel walls  
and having a third  
length

an interface level comprising a  
adjacent, poured-in-place tunnels

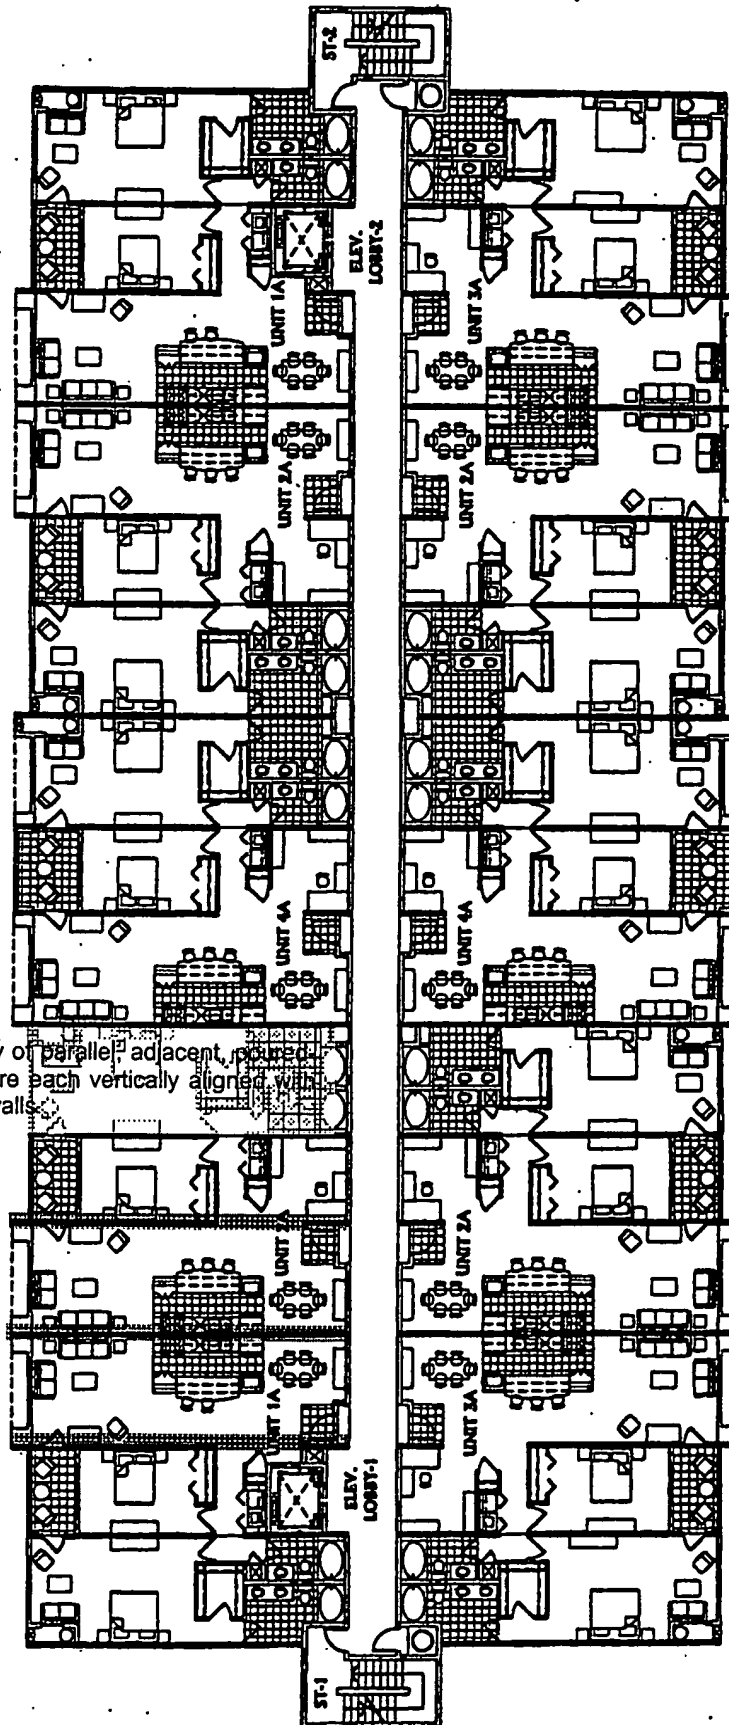

fourth tunnel walls  
vertically aligned with  
said second tunnel  
walls and having a  
fourth length

2ND FLOOR PLAN

# Superstructure

superstructure comprising a plurality of parallel, adjacent, spaced in-place tunnels having [hatched pattern] that are each vertically aligned with one of said first and second tunnel walls.

3RD FLOOR PLAN
